ON THE STAGE OF LIFE PLAY NOW YOUR DIVINE PART

An Address by the Ascended Master SAINT GERMAIN

The Ashram **December 31, 1960**

BELOVED and blessed friends of Freedom, "I AM" grateful to Our Beloved Jesus and Beloved Holy Mary, the Beloved Gabriel and Hope, Beloved Morya and ALL of the Host of Heaven for all which They have done and are doing to bring more quickly balance to Our Sweet Earth and to bring balance in Her evolutions as well.

You are, of course, My friends of the ages, embodied at this time for ONE PURPOSE - to bring Freedom to and through the consciousness of mankind - Eternal Freedom! Eternal Freedom means that you do not return to your former limited estate. Even the Great Beings who have been released from the former Compound require tremendous assistance from Divine Beings to keep them from returning to their "former" estate or state of thinking, feeling, speaking and action.

Don't remain the same actor every year

Centuries ago I was very interested in the presentation of The Law through the theatre. Right! But when We finished one play, the individual did not have to remain in that part forever. We ran several of the Shakespearean plays in one season. It is the same with the student body. You do not have to, every year since you were born until your release from human embodiment, remain the same actor or in the same play. Now We want you, unmasked, to be the true power of that Holy Divine Being you were intended to be long ages ago and Which you have forgotten temporarily. The sea of forgetfulness seems only to apply to that which you wish to push into the subconscious mind, where it remains a festering sore in the ethers.

Let go, completely, entirely

In other words, you must learn how to LET GO - COMPLETELY AND ENTIRELY - of any imperfect part which you have previously played upon the Earth stage and play now that Divine Part in the New Golden Age when you shall walk and talk as sons and daughters of Freedom and when you are the full expression of that Freedom in, through and around you, and wherever you move Freedom is; whatever your attention is upon, Freedom is and whatever you feel is Freedom's expression; whatever you speak is the word of Freedom - AND THERE I SHALL BE in the midst of you, constantly giving you feeling of true God Freedom which is Mine, and which I live to impart to you as a permanent part of your being.

Political Freedom has been established in the United States of America. It is not yet fully established in all nations of the world as yet. Freedom to worship as prompted by the dictates of your own heart has been given to man but you have been given greater Freedom - for you, the doors and windows of Heaven are open wide and gazing into that full Light you can know and see the destiny not only for America but for this entire world. He who has seen and knows is responsible to express which he has looked upon which is good.

The Golden Age shall be an actuality

The Dweller on the Threshold of Eternity is the Goddess of Justice Beloved Portia and that Door is ever open wide for your entrance!

Be not deceived at all promptings as coming from Heaven for you look through the strata of your usual characteristics, thoughts and feellings, words and actions but, in sincerety, while the Doors of Heaven are open so wide, while the Angels, Devas, Cherubim and Seraphim are in the atmosphere LOOK at that which the ethers hold for this Earth, which I love and which you love as well. Thus this Golden Age shall not longer be an ethereal substance but AN ACTUALITY! And when you move among your

confreres, they will say "there is a God-Free man or woman". I had that experience; Jesus had it and so did Others of the Divine Heavenly Court, for Example is stronger than words and BE-ING is stronger than words.

Be Free in the year 1961

BE FREE NOW, as you enter into this New Year of 1961, as your own Book is closed, that Book of Life containing your experiences in 1960, and that particular Volume put on its shelf, you are going to receive another Volume on whose pages you shall write in 1961, with your name inscribed thereon. This Book, in turn, shall be placed upon the shelf allotted to your lifestream. When at the close of your embodiment, in whatsoever Year you are called Home, the Great Maha Chohan takes all the records of Good of your entire lifestream, closes them up and puts them in The Cosmic Library.

The Blessings of this year be on you

The Spirit of 1961 is a powerful Being already at the Rocky Mountain Retreat, came in, not as a Babe, but as full grown Being of Light, with golden hair, golden garments and your energies will be carried on the upsurge of Her Light as the Illumination Flame surges through mankind, the Earth and Her atmosphere.

The blessings of this Year, the blessings of the Karmic Board, the blessings of the Host of Heaven be on you, each one.

I have been where you are now, therefore when I speak, I can speak with some small authority, for Love's sake.

I bless your endeavors thus far and know that as Illumination's Flame surges through the Earth, directed by the Beloved God and Goddess Meru and Beloved Nada, you SHALL BE ILLUMINED AND BECOME SELF-LUMINOUS AS WELL. SO BE IT!

LEARN TO SUSTAIN YOUR ASCENDED MASTER CONSCIOUSNESS

An Address by beloved Archangel GABRIEL

The Ashram **December 31, 1960**

HAIL, thou beloved, I Who come at this time to assist in the Power of Resurrection, bow before that Flame of Almighty God Which beats your hearts, that Flame Which We desire through resuscitation of your Divine Memory to ACT NOW in, through and for you!

I bring to you the Blessings of the Archangels and All of the Archaii. All of the Light of Heaven is yours. Accept it.

Where Hope seems dim, there I AM

"I AM" called "The Announcer" of Good Tidings of Great Joy. Those tidings are almost always given to Me to bring from the Heavenly Throne, even to the Suns of the System, as well as to the chosen upon the Earth who require a revivification of Hope in their hearts, minds and outer consciousness. Therefore, where Hope seems dim; where temporary human appearances seem great both Myself and the Lady Hope can flash that Flame of God-Hope to create a better today and a perfected tomorrow.

Thus I rendered the service to Beloved Mary (Mother of Jesus), promising it to Her even before She went through the experiences of the Birth of Beloved Jesus. Thus I offer it to you, each and everyone this Day of Resurrection of that which is good and holy and true within you; resurrection of that power which you once knew in the Heavenly Realms when you dwelt with The Father of all Life and Light and wielded the scepter of dominion over the glorious energies in that Realm and joyously knew Full Freedom from distress of any kind.

The Resurrection Flame in 1961

Now We come to the end of the Year of 1960, We enter into the Year of 1961. Blessed and beloved ones, friends of My Heart, let Us see how much the actual Resurrecting Flame Which is Ours to give, and yours to receive, shall do for you and for this blessed Planet Earth! I had hoped as The Karmic Board met last evening, and as Angels, elementals, humankind and Divine Beings gathered together and the mighty Hosannas were sung many of the petitions already were presented that through the presentation of those petitions and the tremendous unspeakable pressure of energy upon The Karmic Board that Helios and Vesta would give Us the sign that I might announce the straightening of the axis of this Earth, but that time has not yet come! It will as you persevere and cause distress to no man.

Your part in the strengthening of the Axis of the Earth

Beloved ones - each and everyone of you have a part of that responsibility of straightening the axis of this planet Earth by straightening the axis of your own spinal column and sustaining Our feeling of hope and THE FULL POWER of God's Angelic Kingdom, God's Divine Messengers, God's Divine Director of the Seven Rays Who have invested so much in the pleoples of this Earth. Then those peoples in turn may relieve an Earth of an over population and shall resuscitate the beauty and perfection of the Earth as She was as first created by Helios and Vesta and held in the bosom of the Planetary Silent Watcher, Immaculata, and drawn forth into physical manifestation by the Seven Elohim as a beautiful and sweet planet for the peoples belonging to Her evolutions, where Angels and mankind are walking and talking together, no veil of human creation between the evolutions at all.

What is the veil of human creation

Think on it NOW! Think on it! What is that veil? That veil for each and everyone of you is your own aura! Therefore the Day of Resurrection will be for each one of you the day when your own aura is so purified, emotionally, mentally, etherically and physically that you can again assume the perfectly natural association with Divine Beings. "I AM" DETERMINED TO DRIVE THROUGH THE ENERGIES OF LETHARGY AND FOOLISHNESS OF EVERY KIND AND DESCRIPTION INTO THE HEARTS OF YOU AND TO DRAW FORTH FROM THE HEART OF YOU ENOUGH INTEREST IN GOD'S KINGDOM COME NOW that in the Year of 1961, through your individual and combined endeavors there shall be a straightened axis and a perfect abode for the Ascended Master Saint Germain's children.

COME, in mind, heart and soul; while you are within this radiation yes, you accept. Learn now to sustain that radiation! You are no longer babes, you are grown men and women and you must sustain the radiation of the Divine Beings and not only sustain it but EXPAND IT THE LENGTH AND BREADTH OF THIS LAND, AND EVERY LANDED SURFACE UPON THIS EARTH! AND THEN EXPAND IT THROUGH ALL THE ELEMENTS WHICH HAVE SERVED YOU SO FAITHFULLY!

Be Our Cup

You must be willing enough to be Our Cup, not for forty minutes but for all time, into which does flow and there is sustained the Gifts from Our Realms. I COMMAND IT - in the Name and by the Authority of The God Who creatd Me and Who created you to be more than little human beings walking upon separate paths leading to NOWHERE! You are walking in the Path of Light, making a trail of Light into the Realms of Life Eternal, over which those who are weaker than you shall travel in comparative safety because the footfall of your own

life and light has made that Path for the Ascension in their time for millions who know not even of Our Presence. Thank you, beloved ones. To My Beloved Hope:

THE LADY HOPE SPEAKS:

Beloved and blessed Gabriel, beloved children of The One Father-Mother God, I represent the Spirit of Hope Eternal, Hope which was born when you first attained individuality and Hope which is always alive within each individual's heart.

That Hope, beloved ones, which is My Quality to give has extended now to the Elemental Kingdom and to the four-footed creatures as well. When someone looks to you for Hope, you can see within the inner eye that there is a desire to accept it, not only humankind but all of life and the Earth Itself require more Hope to attain their Divine Destiny. All that Hope which I have is yours, today.

YOU HAVE TO PAY FOR THE LIFE YOU USE

All life everywhere must render a balance and pay for the life that has been used previously in whatever cycle and experience and embodiments the individual has lived. You may do this through sense of duty or you may do it through love. If you do it through duty and through a sense of compulsion you do not have the happiness qualified into your service.

But if you live as We do, if you live as the flower kingdom, as the bird kingdom, as the Devic and Angelic kingdoms, your service then is joy and you love the opportunity in whatever disguise it may come to you; the opportunity to serve life, according to the talents you have developed, the substance at your disposal, the energy of your individual world and the environment in which you find yourself.

HEALTH

By Margaret Marsh

THE body will follow the thought and the thought contains the PICTURE of that which you wish to out-picture in your world. If for the next sixty days you could remember **once an hour** the WAY YOU WOULD LIKE TO LOOK; the WAY YOU WOULD LIKE TO FEEL; and in your mind see yourself the gracious, lovely beautiful person, young and vital which YOU REALLY ARE it would manifest!

Each time you find yourself **thinking** you are tired or not feeling well, before you **speak it,** CHANGE YOUR THOUGHT and silently feel the opposite of those negative cualities and then affirm aloud: "I AM" MY LIMITLESS STRENGTH AND ENERGY - "I AM" MY JOYOUS PEACE AND HAPPINESS - I NEVER GET TIRED! Stop frequently during the day BEFORE you become tired, for just ONE MINUTE - **get still** - turn your attention to your God Presence in Love and while you think "I AM" EXHAUSTELESS ENERGY" - feel the current of fresh energy come into the top of your head and into your body, mind and feelings; then go about your activities. In this manner you can prevent the negative conditions manifesting in your world.

You live in the very BODY of God! In His Life, His Energy, His Perfection! Whatsoever you desire is YOURS FOR THE ACCEPTING, but you must constantly be aware that it is always Perfection. If you clothe the pure life essence with some negative quality and imperfection, THAT will express in your world. God is ALL THERE IS - the Giver, the Gift and the Receiver. You have in your world exactly what you have placed there. Why not help yourself to perfect health and be at Peace!

OPULENCE

By Ralph Yancy

The Maha Chohan

WE live, move and have our beings in the OPULENCE OF GOD at all times and yet many earnest students continue to experience limitation of finances rather than an abundance by which they could more effectively serve the Light. Why is this so? Partly because the individual is not dynamic and determined enough to break through the barrier put up by the forces that oppose the Light. The average student makes calls for supply, yes, but the calls are too weak to break through that mass pressure and draw back that is required or desired.

It takes more of everything to live in the world today, and this is especially true for those who wish to assist in expanding the Light. The forces that oppose the Light are aware of the powerful tool the student would have to use in service and thus it takes powerful, dynamic and persistent calls to break through and have the answer. How long that takes depends entirely upon the individual.

Before making your calls, sit down and get still and anchor your attention on the God Presence "I AM" in your heart, realizing GOD IS YOUR SUPPLY; the Giver, the Gift and the Receiver - ALL! See in your mind that for which you call, then stand and issue forth your decrees for supply (or whatever you require) as though your life depended on it. If you really want an answer, DO IT ONCE AN HOUR! The average student will say, "I cannot take the time for that"! Well, DO YOU OR DON'T YOU WANT GREATER SUPPLY!

Wake up dear students, to your opportunity - and DO SOMETHING NOW! If you want greater supply, TELL GOD SO and keep demanding it to come, through the power of love UNTIL YOU GET IT! Let's see how many really want it now!

THE A B C OF THE BRIDGE TEACHINGS

A COURSE OF SIX LESSONS ON SIXTY BASIC TOPICS

Compiled by PAUL PLAZ

Lord Serapis Bey

Lord Lanto

Lesson I - What the Student should know about himself

1. There is no death

There is no death - no cessation of Life, but only **Life,** eternal, complete and beautiful! The beloved Ascended Master Jesus was One Who believed this and He came to Earth to prove this fact. He did not believe that so-called death, desintegration, decay, senility and all the ravages of human creation were the goal of mankind. Jesus **consecrated** Himself to living Life perfectly, and He proved the continuity of life as an actual living reality. In His statement, "The works that I do shall ye do also, and greater works than these shall ye do", shows that he expected **you** to one day come to that same consciousness and understanding that He had which takes away all fear of death, and eventually leads to the conquering of this last enemy in the Victory of the Ascension just as He did.

2. Law of Cause and Effect

The Law of Moses described the Law of Cause and Effect when it enacted "an eye for an eye and a tooth for a tooth". Jesus, raising this standard of thought, described it also when he said: "Whatever you sow you shall reap", "As a man thinketh in his heart so is he", "Do unto others what you would like others to do unto you".

This Law is also known as karma, and Lord Saithrhu has said, "The use of free-will to learn how to use energy constructively has created a heritage of karma. The good becomes the glory of the Causal Body and the evil becomes the weight of the personal aura".

3. Re-embodiment

There are three theories about the creation of man. First the materialistic, that is that man is a material creation, that he has no soul and of course no life after "death". This has been discarded by all intelligent people. Second, the theological, that God created all men, both the good and the criminal. This has also been discarded because a God of Love cannot create a criminal. Third, the teaching that the Bridge to Freedom Activity propounds: that God made all men alike, spiritual and perfect and gave him free-will to expound the Kingdom of Heaven. The wrong use of free-will is the cause of all disharmony you see in mankind, not due to God but to man. The goal of man is to become as perfect as Jesus the Christ. This cannot be accomplished in one span of life, hence the need for re-embodiment. Shakespeare recognized this when he said, "All the world is a stage and all the men and women players; they have their **exits** and their **entrances...**".

4. Consciousness

There are three kinds of consciousness: a) individual, b) mass and c) Ascended Master. The **individual consciousness** is the **awareness of being** as an intelligent focus of light, having the use

of energy, faculties and free-will by which to create and direct an individual life plan. The **"mass" consciousness.** Every thought and every feeling, every virtue and every vice contribute to a "mass consciousness" of that particular quality. The **Ascended Master Consciousness** is the self-conscious intelligence **using** the creative faculties of thought, feeling and spoken word to create only that which is perfect at will.

5. The Immaculate Concept

The Holy Christ Self holds the Immaculate Concept of the Divine Design of the Father, which the outer consciousness is previleged and even obliged to outpicture sooner or later in the world of form. The Immaculate Concept is a Shining Presence - a starry-eyed God or Goddess - waiting to externalize through every human form. Our beloved Mother Mary says: "If you cannot yet yourself hold that Concept, if you will ask Me I will help you to picture the Perfection for another".

6. The Holy Trinity Picture

The Holy Trinity Picture is the manifestation in the world of form of the magnificent Presence of Almighty God, as externalized through the illumined human consciousness. Its daily contemplation will enable the student to visualize and realize effectively **three major activities** indispensable for his illumination, his health and his abundance of all good things, as well as for the process that will lead him to his Ascension in the Light. These are, first: the victorious use of the Violet Flame and the Mantle of Light; second, the establishing of his connection with the "I AM" Presence through his attention; and third, the reception and passing on of the blessings of the "I AM" Presence.

7. Man's Four Lower Bodies

The four lower bodies of man are: the emotional, mental, etheric and physical. The emotional body is meant to externalize

the feeling nature of God. The mental body is the creator and receiver of thought-forms. The etheric body is the storehouse of experiences in this and former embodiments. The physical body, which is interpenetrated by the other three, is meant to be the Temple of God.

8. Health

Good health is the Will of God for each and everyone of His children and when it does not manifest, then it is a clear reminder that the individual has transgressed some Divine Law and he alone is responsible for the distress and not God.

The next point to undersatud is what are the causes of disease There are several: fear, hatred, criticism, lust for money, position or power, worry, frustration, anxiety, pessimism and every other discordant thought or feeling. All these wrong causes can be counteracted by the consciousness of peace, trust, love, hope, power, victory and other Ascended Master Quilities.

Make a list of your habits of thought and feeling that are causes of disease, and daily eliminate these by entertaining in thought and feeling the opposite virtues, and in no time you will enjoy the perfect functioning of each part of your physical body.

9. Opulence

Remember always that God is truly your supply of all good things in your world and that you must constantly live in the **feeling of abundance** of food, clothes, home, car, etc., regardless of outer appearances at the time. Knowing that opulence comes from God, and that thought and feeling must precede its manifestation is not sufficient; you have to visualize what you wish, see it first in your mind and feel gratitude for having received it Say ofthen, **"I AM the Resurrection and the Life of my supply of money and every good thing".** Do it, and you will get results.

Kuthumi

ENLIGHTENMENT

By Mabel Hopkins

THE beautiful song says: "Ah, 'tis Love and Love alone the world is seeking!" - And 'tis Love and Love alone can save mankind and the world from distress! In this year of Illumination, it is well to contemplate what the word "Illumination" means. The dictionery say it menas to THROW LIGHT UPON WHATEVER YOU DESIRE TO KNOW. To the student on the Path it brings the realization that only enough DIVINE LOVE GOING OUT FROM THEM can give them the Peace they so desire, and set them free into greater perfection here and now.

A problem is misqualified ENERGY OF OURS **coming back to be redeemed,** and is only permanently solved when enough Divine Love is poured into it and raises it back into perfection. This is true whether it is discomfort in the body, lack in the finances, inharmony in the home or business, or the bringing of Peace to the whole world. When you LOVE that energy, you set it free, and if it is qualified with Divine Love, it will not return! Every imperfect thought, every feeling that was not pure, beautiful and selfless; and every act that was not constructive - all must be replaced with Divine Love some time, some place.

Love is kindness; Love is tolerance; Love is helpful; Love does not intrude itself but is ever ready to assist. Learn to LOVE whatever you do, so it need not be done again. Learn to LOVE DIVINELY and fill your world with the aura of Love. Give first your Love to your own God Presence "I AM", then send It forth to every part of Life; the animals, birds, elemental, human, Angelic and Divine. You will then know the Truth.

YOUNG PEOPLES' PAGE

By Charity Masters

Saint Germain

THE Ascended Master Saint Germain has been interested for some time in drawing together those fine and wonderful young people who can assist Him with their fresh and vital energies in bringing forth the wonderful Era of Freedom for the planet Earth. Such a group got off to a flying start at the Summer Conference, where nine of our very finest young people met and formed a group. They held a very interesting meeting, having a young married couple to act as a "clearing house" for their ideas, and a Sponsor to assist when needed.

They dedicated their group endeavors to the Ascended Master Saint Germain with the sincere desire to prepare themselves to assist Him in every possible way. Each one selected a special God Virtue they wished to expand in their own worlds during the year, choosing - Divine Love, Illumination, Ascension, Gratitude and Peace, the Immaculate Concept, Opulence, Listening Grace and Purity - and decided to spend fifteen minutes each Sunday night in giving identical decrees and fiats for the protection and assistance of all the young people on the planet. Since this original group is scattered over different sections of the country, each alone in his own locality gives the service, and is a nucleus to draw others into an understanding of The Bridge while keeping in close touch with the original nine.

If you are interested, write to Mrs. Zora Fellows, P. O. Box 3776, Daytona Beach, Florida and you will be put in touch with the right people. May the Ascended Master Saint Germain seal each one who reads this in His Mighty Light, Love and Freedom.

PEACE

By Fred Bruce

IN this wonderful year of 1961 when the Temple of Illumination is Host for the year, Love and Peace are the radiation from the wondrous Flame of Illumination.

We are told again and again by every Ascended Teacher that until we learn to HEAR THE SILENCE and KNOW PEACE, we have gone about as far as we can go. There comes a time when each individual must FIND THE TIME - UNDIVIDED - to be alone and STILL - and learn to get into the true SILENCE. When that is achieved, the Realm of Peace is found, and there follows true Illumination - the understanding of the things necessary to forward progress.

Peace is not lethargy but is really "rest in action" and has the strength of steel. Therefore, seal yourself in Peace and seal that which you bring forth for the blessing of mankind in Peace; and continue to strive to walk farther and farther into that Realm of Peace within your own heart. There are secrets and powers of Light there that will help to liberate THE CHIRST in you more quickly. The daily activities that seem to deprive you of the necessary TIME for this contemplation are as dust - and a hundred years from now you will not remember any of them - but one hundred years from now you will be ascended, and you can look back and remember when your true progress took place - when you learned to enter the REALM OF PACE and communed with the Gods!

BUSINESS MEN'S PAGE

By John Muir

El Morya

WHAT every business man wants to know is how to have permanent harmonious success, and you will as soon as you realize that your true business is the Father's Business, that is, the expression of God Qualities in your dealings with others. You must think more in terms of giving than of getting. You must see yourself as a channel for the dispensing of happines to others. Convince yourself that what you have to offer others, whether goods or services, is desirable, useful and profitable.

You should think also that there is now someone somewhere who requires what you have to offer. This will act as a magnet to attract the people you want to reach. Think more in terms that the purchaser is seeking you rather than that you are seeking him. This does not mean that you are not to make any effort to sell your goods or your services. You have to announce them, to advertise them, in the certainty that such steps will not fail.

Of course, you should eliminate from your mind entirely all negative thoughts, such as discouragement, fear, lethargy and thoughts about this not being the right time of the year to sell this or that, that here is growing unemployment in the land, that there is a recession in sight.

You should ask the beloved Ascended Master El Morya, who inspires executives, to help you open the way, to clear your mind to approach the right party at the right time. You should have faith that this petition will be granted. Act always as if you could not fail in your endeavors, and you will succeed.

HOW TO HANDLE YOUR PROBLEMS HARMONIOUSLY

An Address by beloved MOTHER MARY

THE student, earnest and sincere, calls to the beloved "I AM" Presence and Holy Christ Flame, yes, during times of meditation and contemplation, but when you come down to **real issues,** there is not enough time between the call to the Presence before the outer personality jumps right into the midst of discord to set things straight! **Therein is an error of omission to the Power of God within you.**

If you are going to use the Name of the "I AM" Presence and Holy Christ Flame; if you are going to accept that God Almighty is in the midst of you, can you not give a moment for the Christ, through you, to ACT before dashing into turmoil which the Holy Christ Flame can handle harmoniously when allowed to act through your free will?

The purpose for which you are in embodiment

Now I know there are many unascended beings who are impatient; they are desirous of getting things done and their motive is most magnificent - but you are delaying your individual progress, beloved ones, in not allowing this Holy Christ Flame - GOD IN YOU - to act. If you will allow God in you to act, through you, you gain confidence. If you are wise you will keep quiet about your manifestations, no matter how small they are, until they have been sealed at least for forty-eight hours in the Elohim of Peace's Love, and you will come to a sense of self-mastery which is the PURPOSE FOR WHICH YOU ARE IN EMBODIMENT. Why, in God's Holy Name, are you on the Earth today? TO LEARN SELF-MASTERY OVER ENERGY AND VIBRATION.

During the great Lenten season, I ask each and everyone during this forty-day period, before you go dashing hither, thither and yon ON ANY VENTURE, no matter how menial, to begin to practice calling the Presence TO ACT THROUGH YOU, and then wait until you get the feeling that IT DOES ACT. You can then do in five minutes what would take you hours usually through a mumble and confusion in the human consciousness. It is the way to Mastery, and Mastery is your reason for being here on Earth as wayshowers of those who are to come.

Let God ACT in you

Let your Light shine, My beloved. Let your Love pour forth. Let the God **in you** ACT. **REFRAIN FROM HURRY.** Have patince at first. The most well grounded of students are many times those who do not feel tremendous currents or see phenomena and after making the call and nothing spectacular happens, like light shooting out from the body, say: "Oh, well, we'll go ahead and do it our way". **Our way - the human way IS OVER!** Some day, somewhere everyone will know that I speak the truth.

May I remind you that it was **I** Who gathered up the Cup from which Jesus and the disciples dipped their bread on Holy Thursday. It was I Who wiped It dry and wrapped It in a napkin and gave It to Joseph of Arimathea for safe keeping, and It was I Who guarded it as We took it to England. Often the Communion Service is not understood. It is taken as a gift of receiving the Nature of God, Jesus of course, which is true but that CUP, the Original, contained the Consciousness of Virtue of everyone of the disciples besides Jesus, consciusly charged into It.

You must have determination

I hope you do not feel I have been too severe. Perhaps you would not have cared for Me as a Mother, but I must convey to you the Truth that pure God Divine Love has a lot of positive energy in It; that is not domination but it is wisdom's use of power to enfold the object loved and bring it to its best.

The Maha Chohan in the garden watching the Nature Spirits is a wonderful example to you, so is your physical Sun, your water and your Earth - all contributing to bring to its best the evolution of the rose, the flower or whatever the harvest is, despite the fungi and the various storms, yet They are positive. As Jesus said on Easter Morning not long ago: "If those Nature Spirits and Our beloved Lord Maha Chohan were not DETERMINED ENOUGH, they would never get through the crust of the Earth in the springtime and fulfill their Divine Plan: "or - as He said: "One magnolia made it! We'll go back to sleep".

ONE CHRIST is not enough for ten billion peoples - ALL OF WHOM are destined to BE THE CHRIST. Jesus is, of course, the magnificent Example but He is only One Flower. COME OUT OF THE TOMB OF UNBELIEF INTO FREEDOM!

10. Enlightenment

What is enlightenment? The answer is, the knowledge of Truth, the freedom from ignorance. Jesus said, "Know the Truth and the Truth shall make you free". But how can we know the Truth? Not certainly by reading the literature of two different organizations, though one may pretend to be an improvement of the other, or a different aspect of Truth. You must realize that there is no higher Teacher than your own Holy Christ Self, and your task is to clear the mind of every "ism" and theory, to allow your own Higher Christ Self to come through, to manifest, and this can only be done by concentration, meditation on spiritual subjects. Then you will hear "the Voice of the Silence".

WORLD BROTHERHOOD

World Brotherhood, as sponsored by THE BRIDGE and all its subsidiary publications, does not constitute the leveling of all men to the sub-standards of the lowest strata of human kind, but rather the conscious raising, through education and competent guidance, of the entire race—through the individual—to the highest standards of moral, ethical, economical and spiritual maturity.
